PEDIGREE CROSS INDEX

This Pedigree Cross Index allows a breeder to nick, inbred or outcross his broodmares by easy reference. Indexed are the names of sires and dams included within the first three generations of all the stallions in the 2024 Stallion Directory.

Example: AFFIRMED - Charlie Barley, Mystery Storm, Peteski

In the above example, Affirmed appears in one of the first 3 generations of all the stallions listed after him.

Suppose a breeder has a mare that is a granddaughter of Mr. Prospector or has crosses of that sire in a mare's pedigree. He may want to breed her to a stallion with Northern Dancer blood to take advantage of the Northern Dancer--Mr. Prospector nick. By looking up "Northern Dancer" in this index, he can quickly see all the stallions in this register that have Northern Dancer appearing in one of the first three generations of their pedigrees.

If a breeder's mare is a granddaughter of Seattle Slew, he may wish to inbred to that stallion and thereby get more of Seattle Slew's makeup in the foal. By checking "Seattle Slew" in the index, the breeder can readily find all the advertised stallions that have Seattle Slew in their pedigrees.

What if a breeder's mare is already inbred or linebred? She might have 2 or 3 crosses of Deputy Minister in her first four generations for example. The breeder may want to make sure the stallion he chooses for his mare has no Deputy Minister or no Deputy Minister up close in his pedigree. By looking up "Deputy Minister" in the index, he can readily see the stallions in this Stallion Register he should avoid for his mare.

By Law 28 *(Part C Revised 1/01/21)*

(A) **Foal Accreditation:** In order to have a foal accredited as a Louisiana Bred Horse, the following requirements shall be fulfilled.

- (1) The foal must be born in the State of Louisiana; and
- (2) The foal's dam must meet the appropriate residency requirements based on her designation as a resident or a non-resident mare as defined below. All mares entering the program must be registered with the LTBA upon entry into the State of Louisiana and upon each transfer of ownership thereafter. As set forth by the LTBA rules, failure to register a mare and her domicile in a timely manner shall result in penalties and/or in the mare's foals being denied the status of an Accredited Louisiana Bred. All mares are subject to inspection at any time.

(a) Resident Mare:

- a. A broodmare that once entered in the Louisiana Program, must be in residence in Louisiana except that she may leave the state for breeding purposes. The broodmare must return to Louisiana by August 1 in the year of conception and must remain continuously until foaling.
- b. A broodmare which enters Louisiana and registers with the LTBA prior to foaling in the state of Louisiana. The broodmare must remain in residence in Louisiana continuously until foaling except after foaling that she may leave the state for breeding but must return to Louisiana by August 1st. However, a broodmare may exit the program after foaling her second accredited Louisiana Bred foal or after December 31st of the year bred if said mare is not in foal.

(b) Non-Resident Mare is a broodmare that arrives in Louisiana in foal and after foaling must be covered by a Louisiana domiciled stallion in that foaling year, and pregnant or not, must remain in Louisiana for a period of ninety (90) days after foaling or until August 1 of the foaling year, whichever is earlier.

- (3) Prior to breeding, the LTBA must be notified in writing of any intention to ship a mare out of the State of Louisiana to be bred. The LTBA must also be notified upon the return to Louisiana of same mare. Failure to notify the LTBA shall jeopardize the accreditation of the foal(s) out of that mare.
- (4) The sale of a mare at a public auction prior to her foaling for a second foal, allows her first foal to be eligible for accreditation provided the mare resided in Louisiana for 6 months of her current foaling year.
- (5) If a mare in Louisiana requires emergency invasive surgery at a veterinary facility outside Louisiana, the Louisiana Thoroughbred Breeders Association office must be notified

within 72 hours. Upon the mare's release to travel by the attending veterinarian, she must be returned to Louisiana within ten (10) days. It will be the responsibility of the mare's owner to provide documentation relevant to this situation, if requested by the Louisiana Thoroughbred Breeders Association office.

- (6) If a resident mare is entered in an advertised public Thoroughbred sale or sanctioned internet sale and repurchased in that sale, and will remain in the Louisiana Program, she may leave the state only for the interval of that sale, and must return to Louisiana within fifteen (15) days of her repurchase if the foal she is carrying is to maintain eligibility for accreditation.
- (7) If for any reason, besides those above mentioned, a thoroughbred mare is to be removed from the State of Louisiana; the LTBA must be notified in writing prior to said removal. Removal of the mare from the state without LTBA notification shall incur a \$500.00 penalty in connection with the accreditation of her foal(s).

(B) **Breeders Awards:** Breeders awards shall be paid and disbursed to the breeder who becomes entitled thereto pursuant to the provisions hereof, according to a schedule or formula and within a period which is or shall be established by the Board of Directors of the Louisiana Thoroughbred Breeders Association. (La. R.S.4:165) *(Revised 8-8-23)*

- 1) Breeders Awards shall be paid on the following schedule.
 - a. Foals out of Resident Mares that are sired by Louisiana domiciled stallions shall receive a breeder's award of 25% according to the schedule established by the Board of Directors.
 - b. Foals out of Resident Mares that are sired by out of state stallions and the mare is bred back to a Louisiana domiciled stallion shall receive awards of 18% according to the schedule established by the Board of Directors.
 - c. Foals out of Resident Mares that are sired by out of state stallions and the mare is bred back to an Out of State stallion shall receive a 9% breeder's awards according to the schedule established by the Board of Directors.

- d. Foals out of Non-Resident Mares shall receive a 10% breeder's award if the foal is sired by a Louisiana Stallion and a 9% award if the foal is sired by an out of state stallion and bred back to a Louisiana Stallion. The foal can only be by an out of state stallion the first year the mare is in the program according to the schedule established by the Board of Directors.

(C) Foal Registration: In addition to the requirements of Part B Section 1 (A) above, a foal eligible for accreditation as a Louisiana-bred to complete its accreditation must also be registered with the LTBA by its breeder. Registration consists of the following:

- (1) Completion of the official Application for Registration of an accredited Louisiana-bred foals by the breeder or by the breeder's authorized representative of the LTBA.
- (2) Payment of the required accreditation fee and/or any penalties.
- (3) Verification by the LTBA and placement of the electronic seal of the LTBA upon the Jockey Club registration papers.

By Law 29

A foal's accreditation must be completed to be eligible for breeder awards and to receive any other benefits which may be available to an accredited Louisiana bred horse.

By Law 30 *(Revised 6-6-15)*

Louisiana Stallion Award Eligibility. A stallion standing in Louisiana is defined as a stallion domiciled year-round in Louisiana with the purpose of covering mares in a breeding season. The owner of a stallion standing in Louisiana must register the stallion with the LTBA within 30 days of entry in the state and/or change of ownership.

To be eligible for stallion owner's award as set forth by the LTBA Board of Directors, the stallion must have been enrolled in the Stallion Award program by payment of the required fee during the calendar year in which the foal was conceived.

To remain eligible for the Stallion Awards such stallion(s) shall not depart the state except:

- (1) When the LTBA approves the stallion's departure to the Southern Hemisphere for the Southern Hemispheric breeding season.
- (2) If the stallion in Louisiana requires medical treatment at a veterinary facility outside Louisiana.
- (3) If a stallion has participated in the stallion award program for four consecutive years he is entitled to leave without penalty. If a stallion has not participated in the stallion award

program for four consecutive years, the stallion will be awarded according to a schedule established by the executive committee of the LTBA.

(4) If pensioned

All departures must be reported in writing or electronically to the LTBA office before the stallion leaves the state.

With a medical departure, the LTBA office must be notified in writing or electronically within 72 hours of that departure. Upon the stallion's release to travel by the attending veterinarian and to be in compliance, the stallion must be returned to Louisiana within ten (10) days of the medical release. Written notice of the return shall be given to the LTBA. It is the responsibility of the stallion's owner to provide documentation relevant to this situation if requested by the LTBA office.

The LTBA must also be notified in writing or electronically of a stallion returning from the Southern Hemisphere to continue his domicile in the State of Louisiana. All domicile changes within the State must also be reported to the LTBA in writing or electronically.

By Law 31

Procedure for Disqualification. Upon reason to believe that a thoroughbred has been erroneously registered as an accredited Louisiana-bred, the Board of Directors may, after 10 days written notice to the breeder, disqualify such thoroughbred and declare it ineligible for accreditation if it is found that the thoroughbred should not have been accredited. A breeder aggrieved by a refusal to accredit a foal or by the Board's declaration of disqualification and ineligibility may request a reconsideration of the decision to the Board of Directors in writing within (ten) 10 days of the notification to the breeder of the refusal or declaration, which reconsideration shall be heard at the next regularly scheduled meeting of the Board of Directors, or at such time to be determined by the Board. Written notice shall be given to the aggrieved breeder at least 10 days prior to the reconsideration by the Board.

By Law 32

In the event that any person is found by the Board of Directors to have intentionally or fraudulently misrepresented to the LTBA the eligibility of a thoroughbred for accreditation or registration, such person may be permanently barred from participation in any awards program of the LTBA.

By Law 33

Any person claiming a right to accreditation, registration, awards or any other benefit of the LTBA is subject to the following: In the event that the person institutes legal proceedings against the LTBA and/or its directors, officers, agents or employees and said person does not prevail in the legal proceedings, then the person is obligated to pay all the reasonable costs incurred in the defense of the proceedings, including the legal fees, expenses and court costs of the LTBA and its directors, officers, agents or employees.

By Law 34

(A) This corporation may indemnify any person who was or is a party or is threatened to be made a party to any action, suit or proceeding, whether civil, criminal, administrative or investigative (including any action by or in the name of the corporation) by reason of the fact that he is or was a director, officer or agent of the corporation or is or was serving at the request of the corporation as a director, officer or agent of another nonprofit, business or foreign corporation, partnership, joint venture or other enterprise against expenses (including attorney's fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by him in connection with such action, suit or proceeding if he acted in good faith and in a manner he reasonably believed to be in or not opposed to the best interests of the corporation and with respect to any criminal action or proceeding, had no reasonable cause to believe his conduct was unlawful; provided that in case of actions by or in the name of the corporation, the indemnify shall be limited to expenses (including attorney's fees and amounts paid in settlement not exceeding, in the judgment of the board of directors, the estimated expense of litigating the action to conclusion) actually and reasonably incurred in connection with the defense or settlement of such action and no indemnification shall be made in respect of any claim, issue or matter as to which such person shall have been adjudged to be liable for negligence or misconduct in the performance of his duty to the corporation unless and only to the extent that the court shall determine upon application that, despite the adjudication of liability but in view of all the circumstances of the case, he is fairly and reasonably entitled to indemnity for such expenses which the court shall deem proper. The termination of any action, suit or proceeding by judgment, order, settlement, conviction or upon a plea of nolo contendere or its equivalent, shall not of itself create a presumption that the person did not act in good faith and in a manner which he reasonable believed to be in or not opposed to the best interests of the corporation and with respect to any criminal action or proceeding, had reasonable cause to believe that his conduct was unlawful.

(B) To the extent that a director, officer, or agent of this corporation has been successful on the merits or otherwise in defense of any such action, suit or proceeding, or in defense of any claim, issue or matter therein, he shall be indemnified against expenses (including attorney's fees) actually and reasonably incurred by him in connection therewith.

(C) Any indemnification under subsection A of this section (unless ordered by the court) shall be made by the corporation only as authorized in a specific case upon a determination that the applicable standard of conduct has been met. Such determination shall be made (1) by the Board of Directors by a majority vote of a quorum consisting of directors who were not parties to such action, suit or proceeding, or (2) if such a quorum is not obtainable or a quorum of disinterested directors so directs, by independent legal counsel.

(D) Expenses incurred in defending such an action, suit or proceeding may be paid by the corporation in advance of the final disposition thereof if authorized by the Board of Directors in the manner provided in subsection of this section, upon receipt of an undertaking by or on behalf

of the director, officer or agent to repay such amount unless it shall ultimately be determined that he is entitled to be indemnified by the corporation as authorized in this section.

(E) A corporation shall have power to procure insurance on behalf of any person who is or was a director, officer or agent of the corporation, or is or was serving at the request of the corporation as a director, officer or agent of another nonprofit, business or foreign corporation, partnership, joint venture or other enterprise against any liability asserted against or incurred by him in any such capacity, or arising out of his status as such, whether or not the corporation would have the power to indemnify him against such liability under the provisions of this section.

By Law 35

The By-Laws may be altered, amended or repealed and new By-Laws adopted by a vote of two thirds of the Board of Directors. At least ten days written notice shall be given to the directors of the intention to alter, amend, repeal or adopt new By-Laws at a Regular or Special Meeting. The notice shall identify the specific By-Law and/or By-Laws to be changed and shall specify the changes sought to be made. Such action may then be taken by a vote of two-thirds of the Board of Directors.

By Law 36

To the extent that any person's rights, privileges and obligations need to be determined, after the last amendment to the By-Laws are made, reference may be made to the previous By-Laws in effect prior to the said amendment.
